- Workshop 3 (s 245). **"Ocean and waters"**. Restoring our ocean and aquatic environment by 2030

Coordination: **François Galgani**, Researcher, oceanographer and biologist, member of the Assembly of the "Oceans" Mission

- Workshop 4 (hemicycle). **"Cities"**. Establish more than 100 climate-neutral and smart cities by 2030 and encourage all other cities to follow suit by 2050

Coordination: **Françoise Guaspere-Gal**, Senior policy advisor at the Representation of Île-de-France to the EU, member of the "Cities" Mission Assembly

- Workshop 5 (s 229). **"Soil"**. A pact for healthy soils in Europe: 100 "living laboratories" and "beacons" to lead the transition to healthy soils by 2030

Coordination: **Jean-François Soussana**, INRAE Vice-President in charge of international policy, member of the "Soil" Mission Board

12.45 Break

14.00 **Plenary session 3.** Hemicycle

Round table discussion. **European Missions and Foundations, between advocacy and philanthropy. What actions to encourage citizens' involvement in research?**

Facilitation/moderation: **Sylvain Bourmeau**, journalist (France Culture and AOC-quotidien d'idées)

Delphine Moralis, Philea Philanthropy European Association

Virginie Troit, Executive Director of the French Red Cross Foundation

Romain Troublé, Director, Tara Foundation

14:45 Coffee break

15.15 **Plenary session 4.** Hemicycle

European Missions for Youth. Youth for European Missions. Youth, environment, community, inclusion, participation and engagement.

Facilitation/moderation: **Sylvain Bourmeau**, journalist (France Culture and AOC-quotidien d'idées)

In partnership with Université Paris Est Créteil, French Ministry of National Education, Youth and Sports, and CNAJEP

With the participation of **Amandine Orsini**, professor at the Université Saint-Louis (Brussels)

16.15 **Plenary session 5.** Hemicycle

Restitution of the workshops (10-15 minutes per workshop)

Facilitation/moderation: **Sylvain Bourmeau**, journalist (France Culture and AOC-quotidien d'idées)

17.25 **Plenary session 6.** Hemicycle

Facilitation/moderation: **Sylvain Bourmeau**, journalist (France Culture and AOC-quotidien d'idées)

Concluding remarks (1). Bruno Maquart, President of Universcience, on behalf of the ECSITE Presidency

Concluding remarks (2). Pascal Lamy, Chairman of the Board of the Mission "Oceans" and author of the report Investing in the European future we want, Report of the independent High Level Group on maximising the impact of EU Research & Innovation Programmes (2017)⁴

17.40 **Closing.** Hemicycle

Facilitation/moderation: **Sylvain Bourmeau**, journalist (France Culture and AOC-quotidien d'idées)

François Houllier, President of IFREMER, Allenvi and the Scientific Council of the conference

Jean-Éric Paquet, Director General for Research and Innovation (RTD), European Commission

Claire Giry, Director General for Research and Innovation, on behalf of the French Presidency

18.00 End of the conference

⁴ remote intervention

Civil Society and Research Forum for European Missions (21 March 2022)

BOOTHS		
Name of the project holder		Booth title
1	European Commission	EU Missions: with and for citizens
2	Association des Conseils en Innovation	#jesuisEUcolo
3	L'Arbre des Connaissances	Fostering the engagement of scientists and young people in science-society relations
4	Association La Fresque du Climat	The Climate Fresk
5	CNAJEP	Engaging together for a sustainable and inclusive Europe
6	European Network of Living Labs – EnoLL	ENoLL: Empower everyone to innovate
7	Grenoble INP – UGA	The European Universities Community (EUC) Initiative
8	Muséum national d'Histoire naturelle	Participatory science at the Museum: a partnership between citizens and researchers at the heart of society's issues
9	NetZeroCities	NetZeroCities
10	Association Française pour l'Etude du sol (AFES) & INRAE	Let's mobilise around soil as a non-renewable resource! (AFES) Participatory sciences and soils: the structuring of the French community (INRAE)
11	Fondation Tara Océan	Discovering marine sciences
12	OPERAS AISBL	How to engage citizens in science: concrete actions by the European Research Infrastructure OPERAS
13	Open Source Politics	The participatory platform of the Conference on the Future of Europe: exchanges and results
14	OCÉANOPOLIS	ARCTIC 2100

15	SIRIC BRIO / ASPERON & Co	Delivering the promise of patient involvement in cancer research
16	Toulouse (Mairie de)	Citizens' workshops and ecology by neighbourhood
17	Université Paris Est Créteil	Student Citizens' Convention for the Ecological Transition
18	Res Publica	The Phoenix Project and the Deliberation Game

10 « side events » will also be organised in the afternoon (program available on the conference website <https://missions22.eu/>).
